# **ABOUT IIT ACADEMY**

Welcome to IIT Academy,

First of all we would like to congratulate you on your resolution to become an engineer or a doctor from one of the premier institute in India. To succeed in any competitive examination, you need strong internal motivation. No one can force you to prepare & work hard. Your passion for excellence, ability to learn and expert's guidance can certainly determine your success in a top level competitive examination.

At IIT Academy, the Systematic Teaching Methodology helps you to gain knowledge, simultaneously it also inculcates positive attitude, self-belief and high level of confidence, which is essentially required to qualify in any competitive examinations.

Learning is everywhere at IIT Academy in the classroom, from the fellow students, and throughout the campus that serves as your broader classroom. We provide a student centric learning environment to simulate intellectual development; encourage analytical thinking that develops competitive ability. Our goal is to enhance student's achievements by improving their knowledge base & exam taking skills.

IIT Academy Courses have been carefully calibrated to provide the breadth and depth of knowledge you'll need to succeed. At the same time you must inculcate positive thought within and always bear in mind that only your own resolution to achieve success is more important than any other thing.

All the best for your academic endeavor.

Sincerely,  
Founder & CEO  
IIT Academy

Mr. A.K Chaudhary  
Founder & CEO, IIT Academy

"JEE/NEET exams are prestigious and fiercely competitive, offering admission to top engineering and medical colleges such as IITs and AIIMS in India. Many ambitious students aspire to secure a place in these institutions each year.

However, achieving success requires a consistent and effective strategy. At IIT ACADEMY, we provide a well-calibrated approach with compact batch sizes, personalized mentoring, and the RLR (Review, Learn, Revise) method, ensuring a pathway to secure seats in esteemed IITs, NITs, and AIIMS."
